**Except as otherwise provided, the provisions
of this Constitution shall become
effective January 1, 2025.**

PREAMBLE

Believing that the right of those who toil to enjoy to the full extent the wealth created by their labor is a natural right, and realizing that under the changing industrial conditions incident to the enormous growth of syndicates and other aggregations of capital it is impossible for those who toil to obtain the full reward of their labor other than through united action; and recognizing the fact that those who toil should use their rights of citizenship intelligently, through organizations founded and acting along cooperative, economic and political lines, using the natural resources, means of production and distribution for the benefit of all the people, with the view of restoring the commonwealth to all those performing useful service to society;

Now, Therefore; We, the International Association of Machinists and Aerospace Workers, pledge ourselves to labor unitedly in behalf of the principles herein set forth, to perpetuate our Association on the basis of solidarity and justice, to expound its objects, to labor for the general adoption of its principles, to consistently endeavor to bring about a higher standard of living among the toiling masses.

PLATFORM

The International Association of Machinists and Aerospace Workers aims:

1. To bring within the organization all employees who are engaged in or connected with all types of skills, trades, professions, production, service, transportation, office, clerical and technical work organized under the Machinists' banner, to foster in their hearts the spirit of mutual helpfulness, and to impress them with their obligation to do their best for the welfare of each member and for the Association as a whole.
2. To adopt and put into active operation an effective plan to stabilize and provide full employment for all the members of our Association.
3. To advocate for quality on-the-job training, such as registered apprenticeships to help employers gain skilled labor.
4. To prevail upon all employers the necessity of paying the full current wages weekly, and to give preference in employment to members of organized labor.
5. To impress upon all employers the need for quality and affordable health and welfare programs under which the employee is entitled to their choice of professional services.
6. To improve the health and safety protocols to strengthen the conditions of our members on and off the job.
7. To settle all disputes arising between our members and employers, by direct negotiation whenever possible, and in cases where arbitration is resorted to, to reserve our freedom to accept or reject the decision rendered except in those cases where it is previously agreed by both parties that the decision shall be binding.

8. To follow the protocols of the Fair Labor Standards Act (FLSA) including paid overtime; to increase minimum wages; to establish the principle of paid vacations, paid pension and paid health and welfare programs, and extra pay for evening or weekend work and to maintain for our members a cultural standard of living guaranteed by an adequate annual income.

9. To adopt and advocate a plan of cooperation with other unions, thereby eliminating strikes of one organization at a time, and by concerted coordinated action making it possible for all to reap the full benefit of their labor.

10. To educate and mobilize members to understand their political rights and use the ballot intelligently, to the end that the Government may be a government for, of and by the people, and not to be used as a tool to further the ends of combinations of capital for its own aggrandizement.

11. To urge the membership to vote only for and support candidates who are in favor of this platform and the following political demands: the election of President and Vice President of the United States by a direct popular vote; a National or Federal Health Insurance Law; Fair trade agreements that protect workers rights; quality and affordable healthcare; retirement security benefits; strong labor law reform including protecting the right to organize; paid Family and Medical Leave laws; guaranteed safety in the workplace, hazardous duty pay and laws protecting existing jobs; amendments to the Constitution of Canada to make possible uniform labour and social legislation throughout Canada, covering all workers, whether employed by Government or by private industry, and providing for union security; a National Fair Wage Act in Canada, providing for union wages and conditions in all Government work and services and on all Government contracts, direct and indirect; a National Vacation

and Holiday Act in Canada, providing for adequate vacations with pay and a minimum of eight statutory holidays; representation for Labour on all Government Boards and Commissions dealing with Labour's interests and Labour representation on the Boards of all public enterprises.

12. The labor of a human being not being property, we demand the abolition of the use of injunctions in labor disputes on the grounds that it is a judicial usurpation of the constitutional rights of our citizens.

INTERNATIONAL CONVENTIONS

Method of Calling Conventions

1 SEC. 1. During September or October, 2000, and
2 every 4 years thereafter, an International convention of
3 the IAM, not to exceed 7 days, shall be held in a city to
4 be selected by the E.C. Notice of such convention shall
5 be issued to all Locals by the G.S.T. not later than
6 March 1, each convention year. The E.C. will have the
7 authority upon its own initiative to call a special conven-
8 tion in case of an emergency, or after having received
9 the endorsement under impression and/or ink stamp seal
10 of at least 20% of all Locals, not more than 15 of which
11 are located in any 1 state, province or territory, submit a
12 call for a special convention, and thereupon the G.S.T.
13 shall prepare a ballot and submit the same through the
14 referendum calling for a special convention of the Inter-
15 national to convene at such date as seems best to meet
16 the emergency. In the event that a majority of those vot-
17 ing, vote in favor of holding a special convention, the
18 E.C. shall, as soon as practicable thereafter, select the
19 city in which said special convention shall be held.

Representation and Vote

20 SEC. 2. Each Local in good standing and free from
21 delinquency of any nature to the IAM within 60 days
22 prior to the convening of an International convention is
23 entitled to be represented by 1 delegate at said conven-
24 tion. (A Local shall not be declared ineligible where
25 the membership's dues are subject to withholding by

1 their employer for payment to the Local, District, or
2 International, and the employer delays or defaults in
3 said payment.) In addition thereto each Local having a
4 membership of more than 200 is entitled to an addi-
5 tional delegate for each additional 200 members or
6 majority fraction thereof. If, however, not more than 3
7 Locals, within a radius of 150 miles (241 Kilometers)
8 of each other, each having less than 100 members, so
9 desire, they may combine to send 1 delegate to repre-
10 sent them at an International convention. Such dele-
11 gate must be elected by a majority vote in each of the
12 Locals so combining, and the voting power of such
13 combined Locals shall be based upon their combined
14 membership exactly as if it were 1 Local.

15 Each Local represented in convention by a dele-
16 gate is entitled to 1 vote, and all Locals having a
17 membership of more than 100 are entitled to 1 addi-
18 tional vote for each additional 100 members or ma-
19 jority fraction thereof.

20 The number of votes each Local is entitled to shall
21 be computed upon the number of members of such
22 Local at the close of July of the convention year. The
23 delegation of any Local may by unanimous consent
24 vote as a unit, or the vote to which said Local is enti-
25 tled may be divided equally among its delegates, and
26 in case an equal division is impossible the fractional
27 number of votes left after the division shall be cast by
28 the first delegate elected by said Local.

Election of Delegates

29 SEC. 3. At a meeting of each Local in April of con-
30 vention year, a nomination of delegates and alternate
31 delegates shall be held by all Locals. At a meeting of

1 each Local in May of convention year, an election of
2 delegates and alternate delegates by secret ballot
3 shall be held by all Locals in the Local's room where
4 the regular Local meetings are held, excepting in
5 those Locals where circumstances require some other
6 arrangements, the Local may, through its bylaws,
7 provide some other methods, subject to the approval
8 of the I.P. The secretary of each Local shall immedi-
9 ately thereafter forward to the G.S.T. a report of the
10 election, giving the names, card numbers, email ad-
11 dress and residence addresses of all delegates and al-
12 ternate delegates, which report shall be made upon
13 forms furnished by the G.S.T.

14 At Local options, provisions may be made to open
15 the polls to provide an opportunity for members
16 working irregular shifts to vote.

17 Specific information as to who is entitled to re-
18 ceive an absentee ballot as hereafter provided shall
19 also be communicated to the membership.

20 Members who reside in outlying areas more than
21 25 miles (40 Kilometers) from the designated ballot-
22 ing place, members who are at work during the times
23 of the local balloting, members who are either con-
24 fined because of illness or injury, or on leave qualify-
25 ing under U.S. and Canadian family leave laws, or
26 working members on vacation, retirees more than 25
27 miles (40 Kilometers) away from their residence on
28 election day, or on official IAM business approved by
29 the Local or District or International, or on an em-
30 ployer travel assignment, or reserve military leave, as
31 the case may be, shall be furnished absentee ballots.

32 Any member entitled to receive an absentee ballot
33 shall make written request therefore to the R.S. of the
34 Local by delivering in person or mailing or e-mailing

1 such request to be received by the R.S. not later than
2 15 days (21 days for Canadian Territory) before the
3 election. Consistent with a Local's bylaws, a Local
4 may also permit emailed requests for absentee ballots
5 provided it has a dedicated email address for that ex-
6 clusive purpose, and provided it includes that email
7 address in the notice of nominations and election.
8 Within 5 business days after receipt of any such re-
9 quest, or receipt of printed ballots, whichever is later,
10 the R.S. shall mail the ballot if the records of the
11 Local indicate that the applicant is eligible to vote in
12 the election. (In those instances where Local mem-
13 bership records are kept and maintained by a District

17 cause the full and complete tabulation to be made

17 nated for more than one office must indicate to the
18 G.S.T. which office they intend to accept nomination
19 and which they decline. The G.S.T. shall then adjust
20 the list of nominated candidates to reflect the informa-

19 such procedure shall be continued until one candidate
20 shall receive a greater number of votes than the other
21 candidate contesting for the same office. If the 2nd or
22 other succeeding ballots do not result in an election
23 prior to the expiration of the term of office of the then
24 incumbent, said incumbent shall be retained in office
25 until the successor is duly elected.

Preservation of Ballots and Election Records by G.S.T.

20 SEC. 19. International officers shall be installed by

15 The death benefit covering an eligible member

ARTICLE XVI

STRIKES

Approval of Strike

1 SEC. 1. In an extreme emergency, such as a reduc-
2 tion in wages, or an increase in the hours of labor,
3 where delay would seriously jeopardize the welfare of
4 members involved, the I.P. may authorize a strike
5 pending the submission to and securing the approval
6 of the E.C. In all other cases, the grievances must be
7 submitted to the E.C. and its approval obtained before
8 any strike may be declared by any Local or the mem-
9 bers thereof. Any Local or members thereof failing to
10 comply with the provisions of this Art. shall forfeit all
11 rights to strike benefits or other financial aid from the
12 IAM during the unapproved period of the controversy.

Method of Declaring Strike

13 SEC. 2. Whenever a controversy arises over condi-
14 tions of employment between members and their em-
15 ployers, the Local having the greatest number of
16 members involved shall call a meeting of all mem-
17 bers directly affected to decide by secret ballot upon
18 a course of action. A majority of those present and
19 voting on the question shall decide.

20 If a strike vote is to be taken, such vote shall be by
21 secret ballot. In order to declare a strike, such vote
22 must carry by a two-thirds majority of those present
23 and qualified to vote.

24 Where groups of shops are classified under the ju-
25 risdiction of 1 Local, and when demands for the es-

1 tablishment and maintenance of uniform conditions
2 in such classified groups of shops have been formu-
3 lated and adopted by constitutional action of the
4 Local, then all the qualified members of the Local
5 employed in such a classified group of shops shall be
6 entitled to vote on strike action affecting any particu-
7 lar shop in that classified group. The decision of the
8 Local or Locals shall be transmitted to the employer
9 or employers by the authorized representatives of the
10 members involved. If the members involved are un-
11 able to reach an agreement, the R.S. shall prepare a
12 full statement and history of the matters in contro-
13 versy and forward the same to the I.P., who shall
14 thereupon in person or by deputy visit the Local
15 where the controversy exists and, with a member of
16 the Local whose members are involved, investigate
17 the controversy and if possible effect a settlement.

18 No strike shall be declared by any Local or the
19 members thereof without first obtaining the consent
20 of the I.P. or the E.C.

21 Should any Local fail to receive the sanction of the
22 E.C., it shall hold a meeting and declare the grievance
23 at an end. Continuing such grievance after failure to
24 secure the sanction of the E.C. shall be considered
25 sufficient cause for the suspension of any Local and
26 the members thereof from all rights and privileges, at
27 the option of the E.C.

Handling of Forms and Reports

28 SEC. 3. Where agreements covering members of
29 our Association are through the District, all forms
30 and reports required pursuant to this Art. may be
31 signed by the officers of the District involved, in

1 order to expedite the handling and processing of the
2 necessary forms and reports by the E.C. and I.P.

Declaring Off a Strike

3 SEC. 4. A proposal to settle or declare off an exist-
4 ing strike must be presented at a regular or called
5 meeting of a Local, or a meeting of the members af-
6 fected (as the case may be), and decided by majority
7 vote, by secret ballot, of the members involved.
8 Whenever the E.C. decides that it is unwise to con-
9 tinue an existing strike, it may order all members
10 who have ceased work in connection therewith to re-
11 sume work, and thereupon and thereafter all strike
12 benefits shall cease, except that the I.P., with the con-
13 sent of the E.C., may continue the relief in special de-
14 serving cases.

Handling Unfair Work

15 SEC. 5. Whenever work performed by members
16 engaged in an authorized strike is transferred by the
17 struck employer to another facility or employer, mem-
18 bers employed in such other facility or place of em-
19 ployment may be ordered by the Local or by the Dis-
20 trict to cease performing such work or cease working
21 at such places of employment, subject to applicable
22 law. All such orders are subject to approval by the
23 E.C. before members complying therewith are enti-
24 tled to strike benefits. In the event the members refuse
25 to cease work as herein described, the I.P., with the
26 approval of the E.C., may order said members to
27 cease work until the dispute is satisfactorily adjusted,
28 or until ordered to return to work by the E.C.

3 Strike Fund. This fund shall not be used for any other
4 purpose except as specified herein. Benefits shall be
5 paid from this strike fund in accordance with the fol-
6 lowing provisions:

7 When \$5,000,000 has accumulated in the strike
8 fund, members who have continuous good standing
9 for at least 3 months and who have ceased work on
10 account of a grievance approved by the E.C., shall re-
11 ceive benefits from the fund. Strike benefits shall be
12 in the amount of \$200.00 per week.

13 Whenever the balance in the Strike Fund exceeds
14 \$150,000,000, strike benefits shall increase to \$225
15 per week. Whenever the balance in the Strike Fund
16 exceeds \$175,000,000, strike benefits shall increase
17 to \$250 per week. Thereafter, each increase of
18 \$25,000,000 in the Strike Fund balance shall in-
19 crease strike benefits by \$25.00 per week in the
20 manner described above. Any decrease in the Strike
21 Fund balance shall result in a decrease in benefits to
22 the previous level, but not below 23 \$200.00 per
23 week.

24 No benefits shall be paid unless the strike extends
25 over a period of more than 2 weeks. Thereafter, bene-
26 fit payments shall accrue commencing with the 3rd
27 week. Strike benefits shall continue to be paid
28 through the last day of the week in which the strike
29 terminates. Members on strike, but not at the time en-
30 titled to benefits because of lacking the 3 months'
31 membership required herein, shall be entitled to re-

1 ceive benefits as soon as they have been in good
2 standing for 3 months.

3 Notwithstanding the 3 month requirement set out
4 above, new members or individuals who were mem-
5 bers at the time of layoff and reinstated upon recall
6 may begin receiving benefits in accordance with the
7 provisions of this SEC.

8 Payment of benefits from this strike fund shall be
9 discontinued whenever the balance in the fund is re-
10 duced to a level of \$1,000,000, based on checks or
11 payments issued and/or to be issued, in which event
12 the E.C. shall authorize the payment of strike dona-
13 tions out of the General Fund in accordance with the
14 organization's laws and policies and as provided for
15 in SEC. 4, Art. V, of this Constitution. Strike benefit
16 payments shall not be resumed from the strike fund
17 until it again accumulates \$5,000,000.

18 Whenever strike sanction is granted, the Local
19 and/or District will be notified of the number of
20 members eligible to receive benefits and the amount
21 of weekly benefits that will be paid.

22 As the occasion requires, the G.S.T. will advise the
23 Locals and Districts of the financial condition of the
24 strike fund and, whenever possible, shall project the
25 probable strike benefit amount to be paid at least 4
26 weeks in advance.

William W. Winpisinger Education and Technology Center

27 SEC. 7. The investment income from the strike
28 fund shall be used for the operation of the William W.
29 Winpisinger Education and Technology Center. Only
30 the amount necessary for the actual operation of the

1 education center will be used. All other investment
2 income from the strike fund will revert to the strike

8 thorize the payment of benefits from the strike fund
9 to members who are out of work as a result of a strike
10 which has been properly declared pursuant to this
11 Art. in another bargaining unit of IAM members. The
12 E.C. may also authorize payment of strike benefits in
13 any case where it determines that such payment is in
14 the best interest of the IAM.

15 Whenever a strike has been ordered or approved by
16 the IAM, each member eligible to receive benefits
17 shall sign the strike record weekly, or indicate his/her
18 presence weekly, using automated methods that have
19 been approved by the E.C. From the names appearing
20 on the strike record the secretary of the Local shall
21 make up a roll showing the names of the members on
22 strike.

23 After the roll has been approved by the signatures
24 of the president, S.T., and R.S. of the Local, it shall be
25 forwarded to the G.S.T., who, after examination, shall
26 return the same, together with a check or checks or
27 other form of payment (i.e. debit cards or electronic
28 funds transfer), as the case may be, of the IAM cover-

1 ing the amount of any benefits paid, which check or

7 Each member receiving a benefit from the Interna-

10 approved by the E.C., after which the secretary shall
11 return 1 copy of said roll to the G.S.T. for the files of
12 the International, and place 1 copy in the Local files.
13 Except in cases where the distance and time required
14 for the transportation of the mail makes the rule im-
15 practicable, the G.S.T. shall not forward a check cov-
16 ering subsequent benefits before the receipted roll for
17 the previous week has been received by him/her.
18 Where circumstances may require, a Local will have
19 the option to pay strike benefits at satellite strike
20 headquarters, with the approval of the I.P. No claim
21 for any benefits under the provisions of this SEC.
22 shall be considered or allowed unless presented to the
23 G.S.T. within 30 days from the date on which said
24 benefits were due.

25 No benefits shall be paid to members who fail to
26 meet the requirements for the receipt of strike bene-
27 fits.

1 SEC. 1. Whenever in this Constitution reference
2 is made to the “referendum,” it is intended thereby

7 Constitution shall be issued during a convention
8 year, during which period all proposed changes in
9 the laws will be handled in accordance with SEC. 3,
10 Art. XIX.

How Invoked

11 SEC. 2. Any member or members shall have the
12 privilege of proposing amendments to this Consti-

2 shall be in such form as to state the substance rather
3 than the exact language of the proposed addition,
4 cancellation or change, that is, the purpose to be ac-
5 complished rather than the wording or the designa-
6 tion of certain articles or sections, and the G.S.T.
7 shall submit the same as provided in the next suc-
8 ceeding SEC. with a clause attached thereto authoriz-
9 ing the necessary changes in this Constitution.
10 (The word "amendment" wherever used in this

16 the G.S.T. shall cause the same to be printed in the
17 form of a circular, arranged in such a manner as
18 shall allow each subject to be decided to be voted
19 upon separately and forwarded to the respective
20 Locals in sufficient numbers so that each member
21 shall have a copy at the 1st meeting of the Local
22 held in January each year following the receipt of
23 the same, except in years when International con-
24 ventions are held.

Publication of Proposed Amendments

4 G.S.T., each Local shall notify its members of the

9 warding to the G.S.T. on an official tally sheet, accom-
10 panied by all of the ballots.

11 The perforated register slip containing the name,
12 address, card number and Local number of the voter
13 shall be retained by the Local for 1 year after the date
14 of balloting on referendum propositions.

Publication of Votes and Amendments

15 SEC. 7. The G.S.T., upon receipt of the vote upon
16 any proposed amendment, shall cause a report on
17 same to be published in the next issue of THE JOUR-
18 NAL. Within 30 days the G.S.T. shall cause to be
19 published the vote of each Local on any proposed
20 amendment. All amendments so adopted shall be

2 the adoption of amendments through the referendum.

When in Effect

- 3 SEC. 9. Amendments so adopted shall become op-

5 succeeding the publication of the vote, and no
6 amendments shall be submitted which provide that
7 the same shall be immediately effective and in force.

33 ballots, minutes or other records pertaining to the
34 election of its officers.

3 ing, the District may, by majority vote, decide in ad-
4 vance and give notice that the candidates who receive
5 the highest vote for their respective offices or posi-
6 tions shall be declared elected. In all other cases, a
7 majority of all votes cast will be required for a deci-
8 sion. In both cases, the president of the District shall
9 appoint 3 tellers to assist in conducting the election in
10 a fair and impartial manner.

11 Ballots cast for candidates not nominated in con-

26 list of members who have been expelled.

27 A District may computerize the financial record
28 keeping functions, provided the District owns or
29 leases its equipment. Before eliminating a manual
30 system, the office of the G.S.T. and the financial offi-
31 cer of the District must meet to determine that the an-

1 anticipated system will produce the necessary reports
2 for the IAM audits and any required government re-
3 ports.

4 In reporting people whose membership is can-
5 celled on the rolls, the report shall show whether
6 there are any unpaid fines or District assessments
7 charged against the person's account. Unless the re-
8 port states otherwise, the cause for such cancellation
9 of membership shall be considered to be the nonpay-
10 ment of dues and they may be again reinstated as pro-
11 vided for in SEC. 15, Art. I.

12 The S.T. shall receive from the G.S.T. dues stamps
13 in proportion to the per capita tax paid upon each
14 monthly report.

15 **Monies collected by S.Ts. on behalf of the Inter-**

3 District officers authorized to receive the same.
4 Bonds shall be obtained by Districts in compliance
5 with the requirements of SEC. 6, Art. VII.

6 The minimum per capita tax to Districts shall be
7 an amount equal to 40% of the per capita tax paid to
8 the International rounded to the nearest 5¢. Districts
9 which are over the minimum District per capita tax
10 as computed above, automatically will be entitled to
11 receive on January 1 of each year an increase equal
12 to the amount by which the minimum District per
13 capita tax increases under the above-mentioned for-
14 mula.

15 Districts collecting revenue or receiving financial
16 assistance shall render semiannual statements of re-

25 employ a bonded certified public accountant to
26 audit or assist the auditing committee in preparing
27 the audit. However, no such accountant shall be
28 permitted to develop bookkeeping procedures in
29 the Districts contrary to provisions of this Consti-

7 ballot at a summoned meeting of their respective Lo-
8 cals affiliated with the District, of which meeting no-
9 tice has been served to members in writing, by mail or
10 otherwise, at least 7 days before the meeting. In case
11 the vote for assessment is carried by a two-thirds vote
12 and date set for collection, the same shall thereupon
13 become a lawful charge and all members of Locals af-
14 filiated with the District are liable for the assessments,
15 and the same shall be collected as provided in SEC. 1,

19 Initiation fees, reinstatement fees, dues and fines
20 shall constitute a legal liability by a member to the
21 District. Cost of litigation arising from charges
22 against a member by reason of these liabilities shall
23 constitute a legal debt payable by such member.

24 SEC. 12. The funds, property or assets of Districts
25 shall not be loaned or appropriated for any other than
26 the legitimate purposes of the IAM.

1 deemed necessary by a IAM officer to fully protect
2 such funds, property or assets of the District.

3 District funds shall be invested in such securities
4 or other investments deemed to be in the best inter-
5 ests of the IAM in which a prudent person or a person
6 acting in a fiduciary capacity would invest under the
7 circumstances. Such investments may include United
8 States Government bonds or notes, state and municipi-

16 District shall insure that a copy of any such agree-
17 ment is forwarded to each constituent Local which
18 has members directly affected by such agreement,
19 and shall also cause to be maintained at the District
20 headquarters copies of any agreements made by it or

26 other reports on behalf of the District and affiliated Lo-

1 cals which may be required by applicable civil law to
2 be prepared and signed by presidents, secretaries and/or
3 S.Ts. of such labor organizations. Such District officers
4 shall also make available the information contained in
5 such reports to the membership of the Locals affiliated
6 with such District in such form and manner as shall
7 constitute compliance with legal requirements. The
8 R.S. and the S.T. shall also maintain records on the
9 matters required to be contained in said reports in such
10 detail and for the periods required by applicable law.

Funds and Property of Merged Districts

11 SEC. 15. Whenever 2 or more Districts, with IAM
12 approval, merge or consolidate, the funds, charter,
13 impression and/or ink seals and working stock of
14 stamps of the District which is (are) being discontin-
15 ued shall be sent to the International and any other
16 property and the District books should be turned over
17 to the District with which said District or Districts

3 which they were elected, and addressed to the Local
4 where they are to be initiated.

Commencement of Membership

5 SEC. 6. In those Locals where the membership
6 votes to accept new members, an applicant's member-
7 ship shall conditionally commence immediately upon
8 the membership vote and payment of the initiation fee
9 or signature of a dues checkoff card. In Locals in
10 which membership is effective when the membership
11 application is signed and presented to the Local with
12 the required initiation fee or reinstatement fee or an
13 appropriate dues checkoff card, membership shall
14 conditionally commence immediately upon the Local
15 receipt of the fee or checkoff card, subject to clear-
16 ance by the G.S.T. that there are no charges, fines or
17 levies outstanding in the official records of that office,
18 and also subject to clearance by the G.S.T. that the
19 applicant has not been expelled from this union.

20 In those cases where the G.S.T. submits an adverse
21 report on the applicant, such conditional membership
22 shall be automatically cancelled and the applicant's
23 initiation fee or reinstatement fee shall be remitted to
24 the applicant by the properly authorized financial of-
25 ficer.

Local Dues

26 SEC. 7. The monthly dues shall be established by
27 the Local bylaws, or the District bylaws, as approved
28 by the I.P.

1 Except as otherwise required by this SEC., in all
2 other cases, any changes in the established rates of
3 dues proposed by a Local shall be adopted only after
4 approval by a majority vote of the members of the
5 Local in good standing in attendance and voting by
6 secret ballot at a general or special membership meet-
7 ing and after reasonable notice upon the question.

8 Upon payment of dues, members shall receive a
9 dues stamp from the S.T. as a receipt for each
10 month's dues so paid, which stamp shall be affixed in
11 the dues books or dues cards of the members and
12 cancelled by the S.T. as provided in SEC. 6, Art. C.

13 At no time shall Local dues be rebated to a mem-
14 ber who attends a meeting where, to do so, would re-
15 sult in the dues of a member actually paid or
16 checked-off to fall below the established minimum
17 dues rate of the Local.

Reduced Rate of Dues

18 SEC. 8. Members who secure employment within
19 the jurisdiction of any other trade union affiliated with
20 the A.F.L.C.I.O., and who are required to become
21 members of such other trade union, may retain their
22 membership in the IAM by paying such reduced rate
23 of dues as may be stipulated by the Local of which
24 they are members. Such Local shall, however, pay full
25 per capita tax to the International on all such members.

Dues Books or Dues Cards

26 SEC. 9. Except as otherwise provided in SEC. 4,
27 Art. VII, all members shall have dues books or dues
28 cards of uniform appearance, which shall bear num-

1 bers designated by the International and shall be fur-
2 nished free of charge by the S.T., who shall purchase
3 all dues books or dues cards from the G.S.T.

4 All dues books shall contain spaces for the affixing
5 and cancellation of stamps, for recording the payment of
6 assessments and for noting transfers. Such dues books
7 shall contain spaces for the description, identification
8 and signature of the owner and the designation of the
9 branch of the trade in which the owner is most profi-
10 cient, and a page containing a statement of International
11 benefits. Space shall also be provided for the insertion of
12 the Congressional or Assembly District, Legislative As-
13 sembly or Parliamentary Constituency of the member.

14 The dues book or dues card when properly
15 stamped and bearing the impression and/or ink stamp
16 seal of the Local shall serve all purposes for the iden-
17 tification of the owner and shall be received as evi-
18 dence of standing in the IAM. The dues book or dues
19 card may be enhanced by automated methods for
20 identification and verification of membership stand-
21 ing, subject to the approval of the E.C.

Replacement of Lost or Destroyed Dues Books

22 SEC. 10. When the loss or destruction of a dues book
23 is satisfactorily proved by a member, the S.T., upon
24 payment of a fee of 50¢ to be retained by the Local,
25 shall make out a new book which shall have affixed on
26 the inside cover a certificate of exchange or loss.

Transfers

27 SEC. 11. A member may transfer to any Local,
28 when approved by a vote of the members in regular

1 meeting, provided, however, in cases where members
2 are initiated in Locals where the minimum initiation
3 fee prevails and transfer to a Local where a higher ini-
4 tiation fee prevails, a minimum of 6 months' continu-
5 ous good-standing membership will be required,
6 without which, at the option of the Local involved, the
7 difference in the initiation fee may be collected. The
8 failure of any Local to accept the transfer shall not de-
9 prive the member of good standing in the IAM or
10 right to employment. No accounting of arrearage dues
11 shall be required between Local, but all Local and
12 District special levies then due shall be collected and
13 forwarded to the Local or District which levied the
14 same. Should a dues book or dues card be presented
15 for the transfer of a member with 1 or more months'
16 dues paid in advance, the owner of such book or card
17 shall be entitled to transfer in regular form, and the
18 advanced dues shall remain the property of the Local
19 from which the member transferred. Members pre-
20 senting their dues books or dues cards as prescribed
21 herein shall become members of the Local to which
22 they transfer upon approval of the transfer by the
23 Local. The S.T. shall execute a transfer notice and im-
24 mediately send a copy of the transfer notice to the S.T.
25 Any District experiencing problems with this
26 method of transferring membership funds and/or
27 records may, upon request, be granted needed dispen-
28 sation from the I.P.

Identification Letters Illegal

29 SEC. 12. Except as otherwise provided in SEC. 4,
30 Art. VII, no letter or paper of identification other than
31 the regular dues book or dues card shall be issued by

1 any S.T. or other officer of a Local to any member,
2 except for the purpose of showing the standing of
3 such member on the books of the Local or in reply to
4 an inquiry received under the impression and/or ink
5 stamp seal of some other Local.

Membership Cancelled

6 SEC. 13. As used in this Constitution, delinquency
7 is defined as the failure of a member to pay his/her
8 dues, fines, assessments or special levies within the
9 current month except as otherwise provided in this
10 Constitution.

11 Delinquency for 2 months in the payment of dues
12 or special levies, or delinquency arising from the ap-
13 plication of SEC. 4, Art. C, shall automatically cancel
14 membership and all rights, privileges and benefits in-
15 cident thereto. The period of good-standing member-
16 ship of members whose membership has been can-
17 celled for delinquency or other cause shall date from
18 their last reinstatement, as shown by International
19 records, and their rights, privileges and benefits
20 under the provisions of this Constitution shall attach
21 and date from their last reinstatement, as though they
22 had never before held membership in the IAM.

Reinstatement

23 SEC. 14. Any person whose membership has been
24 cancelled may be reinstated to membership, but the
25 application for reinstatement must be made to the
26 Local under whose jurisdiction the applicant is work-
27 ing, and the regular reinstatement fee of such Local
28 must be paid.

1 If the application for reinstatement is filed in the
2 Local wherein the applicant's original membership
3 was cancelled and the application is approved, said
4 Local shall immediately issue a dues book or dues
5 card containing a reinstatement stamp properly can-
6 celled, which transaction shall be entered on the
7 monthly report of said Local in the same manner as
8 initiations are entered.

9 When the application for reinstatement is filed in a
10 Local other than that by which the applicant's mem-
11 bership was cancelled, the Local shall submit to the
12 G.S.T a fee of \$15.00. Upon receipt of said applica-
13 tion, the G.S.T. will issue a dues book or dues card
14 containing a reinstatement stamp properly cancelled,
15 and forward same to the S.T. of the Local from which
16 the application was received, and shall thereupon
17 transfer the reinstated member to such Local.

18 If the membership of the person applying for rein-
19 statement was cancelled for cause other than nonpay-
20 ment of dues, or if there are any unpaid fines, or
21 Local, District, or International special levies, the re-
22 instatement shall not be effected, nor shall the dues
23 book or dues card be issued until said causes are re-
24 moved and the fines and special levies are either re-
25 mitted or paid in full. All applications for reinstate-
26 ment shall then take the usual course.

27 The foregoing provisions shall not apply to people
28 whose membership was cancelled in lapsed, sus-
29 pended, expelled or disbanded Locals. All such peo-
30 ple working in a locality where a Local exists may be
31 reinstated by the International upon making applica-
32 tion therefore and paying the reinstatement fee
33 charged by the nearest Local, which fee shall not be
34 less than the regular monthly dues of the Local. The

- 1 Local shall forward the application for reinstatement,
- 2 together with a fee of \$15.00, to the G.S.T.

Rejected Applications and Expulsions

- 3 SEC. 15. Each Local shall keep for future refer-
- 4 ence a correct list of all people whose membership
- 5 has been cancelled and all applications that have been
- 6 rejected. Expelled people and rejected applicants
- 7 cannot again apply for membership until after the ex-
- 8 piration of 6 months from the date of said expulsion
- 9 or rejection.

Withdrawal Cards

- 10 SEC. 16. Any member who leaves the trade be-
- 11 cause of illness, or obtains employment outside the
- 12 trade or industry, or because of furthering education,
- 13 or obtains a supervisory position above the rank of
- 14 working foreman, or because of circumstances over
- 15 which the member has no control is compelled, as a
- 16 condition of employment, to join another labor or-
- 17 ganization, and upon complying with the conditions
- 18 hereinafter set forth, may be issued a withdrawal card
- 19 by and with the approval of the Local in which mem-
- 20 bership is held.

- 21 Application for withdrawal card, accompanied by
- 22 a fee of \$1.00, 50¢ of which is to remain in the Local
- 23 treasury and the balance to be remitted to the Interna-
- 24 tional, shall be made to the S.T. of the Local who,
- 25 after the application has been approved by the Local,
- 26 shall issue same, bearing the Local impression and/or
- 27 ink stamp seal on a form designed and supplied by
- 28 the International.

1 No application will be granted until all fines, dues
2 and special levies charged against the member have
3 been paid in full to date of application.

4 People discontinuing their membership by accept-
5 ing withdrawal cards will not be entitled to any bene-
6 fits or permitted to attend meetings or participate in
7 any of the business of the IAM. They shall not violate
8 any of the laws or decisions of the International or
9 Local under penalty of having their withdrawal cards
10 cancelled. Any person who holds a withdrawal card
11 and holds a position above working foreman will
12 have said withdrawal card automatically revoked if
13 he/she crosses a sanctioned picket line of the shop
14 where he/she is employed.

Armed Forces Withdrawal Cards

15 SEC. 17. Members who enter the Armed Forces of
16 the United States or Canada may apply for an Armed
17 Forces withdrawal card to the S.T. of the Local of
18 which he/she is a member. Applications for Armed
19 Forces withdrawal cards shall be reported by the S.T.
20 to the G.S.T. for processing. The cards shall be issued
21 by the International.

22 Members who are issued Armed Forces withdrawal
23 cards shall receive credit for time spent in such serv-
24 ice toward veteran badges should they resume mem-
25 bership in the IAM upon discharge from the service.
26 They shall not violate any of the laws or decisions of
27 the International or Local under penalty of having
28 their withdrawal cards cancelled. No fee in connec-
29 tion with the timely deposit of an Armed Forces with-
30 drawal card or the issuing of the dues book or dues
31 card shall be collected from the member. Armed

- 1 Forces withdrawal cards must be deposited with the
- 2 Local within 30 days following return to work.

Deposit of Withdrawal Cards

3 SEC. 18. Any person holding a withdrawal card
4 who obtains employment at the trade or within the in-
5 dustry or otherwise becomes eligible for member-
6 ship, subject to the exceptions provided herein, must,
7 within 30 days after again becoming eligible for
8 membership under the jurisdiction of a Local, fill out
9 a membership application and deposit the withdrawal
10 card and a \$15.00 fee and the current month's dues.
11 The Local receiving the withdrawal card and the
12 membership application will handle the transaction
13 as a regular reinstatement, and upon formal Local ap-
14 proval, the S.T. will issue a dues book or dues card
15 containing a reinstatement stamp properly cancelled.

16 If the withdrawal card was issued in a Local other
17 than the one in which it is being presented, a \$15.00
18 fee shall be forwarded to the G.S.T. for issuing of the
19 dues book or dues card.

20 Whenever the holder of a withdrawal card accepts
21 employment and thereby becomes eligible for mem-
22 bership and fails to deposit the card in the manner
23 herein provided for, such withdrawal card is automat-
24 ically cancelled and the S.T. of the Local with which
25 the card should have been deposited will immediately
26 notify the G.S.T.'s office of the cancellation.

ARTICLE L**CODE****Improper Conduct of Officers,
Representatives and Members**

1 SEC. 1. The IAM respects the rights and privileges
2 of its members, officers, and representatives and
3 takes these rights very seriously. Accordingly, Art. L
4 contains due process guarantees and safeguards to
5 protect all members, officers, and representatives
6 from false accusations of wrongdoing.

**Improper Conduct of Officers
and Representatives**

7 SEC. 2. The following actions or omissions shall con-
8 stitute misconduct by any officer of a Local, District,
9 council or conference, or by any business representative
10 or representative of a Local or District which shall war-
11 rant a reprimand, removal from office and/or disqualifi-
12 cation from holding office for not more than 5 years (ex-
13 cept as otherwise provided in Art. VII, SEC. 5), suspen-
14 sion from office, or any lesser penalty or any combina-
15 tion of these penalties as the evidence may warrant:
16 Incompetence; negligence or insubordination in
17 the performance of official duties; or failure or re-
18 fusual to perform duties validly assigned.

Improper Conduct of a Member

19 SEC. 3. The following actions or omissions shall
20 constitute misconduct by a member which shall war-

1 rant a reprimand, fine, suspension and/or expulsion
2 from membership, or any lesser penalty or any com-
3 bination of these penalties as the evidence may war-
4 rant after written and specific charges and a full hear-
5 ing as hereinafter provided:

6 Refusal or failure to perform any duty or obliga-
7 tion imposed by this Constitution; the established
8 policies of the IAM; the valid decisions and direc-
9 tives of any officer or officers thereof; or, the valid
10 decisions of the E.C. or the International convention.

11 Attempting, inaugurating, or encouraging seces-
12 sion from the IAM; advocating or encouraging or at-
13 tempting to inaugurate any dual labor movement; or
14 supporting movements or organizations inimical to
15 the interest of the IAM or its established laws and
16 policies.

17 Acquiring membership by false pretense, misrep-
18 resentation, or fraud.

19 Accepting employment in any capacity in an estab-
20 lishment where a strike or lockout exists as recog-
21 nized under this Constitution, without permission. (*In*
22 *Canada, however, resignation shall not relieve a*
23 *member of his/her obligation to refrain from accept-*
24 *ing employment at the establishment for the duration*
25 *of the strike or lockout if the resignation occurs dur-*
26 *ing the period of the strike or lockout or within 14*
27 *days preceding its commencement. Where obser-*
28 *vance of a primary picket line is required, any resig-*
29 *nation tendered during the period that the picket line*
30 *is maintained, or within 14 days preceding its estab-*
31 *lishment, shall not become effective as a resignation*
32 *during the period the picket line is maintained, nor*
33 *shall it relieve a member of his/her obligation to ob-*
34 *serve the primary picket line for its duration.*)

1 Actions constituting a violation of the provisions
2 of this Constitution, or any action which would con-
3 stitute a violation of the Local bylaws.

4 Illegal voting or in any way preventing an honest
5 election to fill elective offices, posts or positions in
6 the International or any Local, District, council or
7 conference.

8 Any other conduct unbecoming a member of the
9 IAM, provided, however, that any charge of such
10 conduct shall specifically set forth the act or acts or
11 omissions alleged to constitute such offense.

Trial of Officers or Representatives

12 SEC. 4. A charge of misconduct may be made
13 against any officer or representative of a Local, Dis-
14 trict, council or conference, by any member in writ-
15 ing within 30 days after knowledge of the most recent
16 charged incident to the proper officer of the body in-
17 volved with a copy of such charges to the I.P. Such
18 charges shall set forth the specific actions or omis-
19 sions allegedly constituting the misconduct. The I.P.
20 may determine that fairness to the accused and the
21 best interests of the IAM require a trial before a spe-
22 cial committee designated by the I.P. for that purpose
23 or before the convention of the International. In the
24 event the I.P. refers the charges to trial before a spe-
25 cial committee or before the convention of the Inter-
26 national, the matter shall be heard and decided in ac-
27 cordance with the following procedures:

28 The I.P. will appoint a special trial committee,
29 which will first conduct a preliminary investigation to
30 determine whether or not there is sufficient substance
31 to warrant a formal trial being held. Charges shall be

1 dismissed prior to the hearing if they are not timely
2 filed, if the act complained of does not constitute a
3 violation subject to discipline under the Constitution,
4 or in the absence of evidence sufficient to establish
5 cause for proceeding.

6 If the trial committee finds the charges should be
7 dismissed, it will so advise the I.P., who will then no-
8 tify both plaintiff and defendant. This decision is sub-
9 ject to appeal as provided in SEC. 12 of this Art. If
10 the trial committee decides a formal trial hearing is
11 warranted, both the plaintiff and defendant shall be
12 notified of the specific charges on which they will be
13 tried, and the time and place of the trial, in writing,
14 by registered or certified mail. A trial before a special
15 trial committee shall be conducted in the locality
16 where the offense is alleged to have been committed
17 within 30 days after the mailing of such notice, pro-
18 vided, however, that all parties shall be provided suf-
19 ficient time to prepare their cases. The accused shall
20 be given full opportunity to present evidence and ar-
21 guments to refute the charges, to examine and cross-
22 examine witnesses, and may be represented by an-
23 other member of the IAM, acting as his/her attorney.

24 The special trial committee shall report its verdict
25 and recommended penalty, if guilty, in writing to the
26 I.P. The I.P. may affirm, modify, or reverse in full or
27 in part, the decision of the special trial committee, or
28 impose any penalty or fine, which he/she deems to be
29 appropriate.

30 In the case of a trial before the convention of the In-
31 ternational, the trial shall be referred to and conducted
32 by the appeals and grievance committee. The accused
33 shall be provided the same process and protections as
34 in a trial before a special trial committee. The appeals

1 and grievance committee shall submit its report to the
2 convention, which shall include its findings and ver-
3 dict, together with its recommendation of the penalty
4 to be imposed, if the accused is found guilty.

5 The convention may amend or reject the verdict in
6 whole or in part. If the convention concurs with a
7 guilty verdict, the recommendation of the committee
8 as to the penalty may be amended or rejected in
9 whole or in part and/or another penalty substituted by
10 a majority vote of those delegates voting on the ques-
11 tion. Such action of the convention shall be final and
12 binding on all parties.

13 If the charges are not tried before a special trial
14 committee or by the International Convention, then
15 the charges will be tried before the Local, District,
16 council or conference of which the accused is an offi-
17 cer or representative in accordance with the trial pro-
18 cedures prescribed in SECs. 6 – 11 of this Art.

Trial of a Member

19 SEC. 5. Charges preferred against a member for
20 other than a violation of his/her duty or duties as an
21 officer or representative of either a Local or District
22 shall be governed by the following procedures:

23 It is the duty of any member who has information
24 as to conduct of a member covered by SEC. 3 of this
25 Art. to prefer charges in writing against such member
26 within thirty 30 days after he or she has knowledge of
27 the most recent incident by filing the same with the
28 president of the Local of which the accused is a mem-
29 ber. Such charges shall set forth the specific actions or
30 omissions allegedly constituting the misconduct. The
31 president of the Local with whom the charges are filed

1 shall supply a copy to the accused and forthwith pro-
2 ceed to bring the accused to trial under the provisions
3 of SECs. 6 - 11 of this Art., except that the I.P. may,
4 when he/she deems such action necessary in order to
5 provide a fair trial or to protect the best interests of the
6 IAM, direct that the accused be tried either by a spe-
7 cial committee designated for that purpose or by the
8 International convention. In the event the latter proce-
9 dure is adopted, the trial of the charges shall be gov-
10 erned by the provisions of SEC. 4 of this Art.

11 In the event the president or the president and other
12 officers of the Local are involved in the charges filed,
13 the next ranking officer shall preside, as herein set
14 forth. In the application of this SEC., the order of rank-
15 ing of officers shall be as set forth in SEC. 1, Art. B.

16 In the event that any Local, or the members
17 thereof, fail to proceed as prescribed herein, then any
18 officer or representative, or member, may file written
19 charges against such member or members with the
20 I.P. Upon the receipt of such charges, the I.P. shall
21 forward 1 copy thereof to the accused and 1 copy to
22 the president of the Local of which the accused is a
23 member, together with an order commanding said
24 Local to proceed to place the accused on trial under
25 the provisions of this Art.

26 If said Local fails or refuses for 15 days thereafter
27 to proceed as ordered by the I.P., then the I.P. shall
28 notify the accused and the Local of which the ac-
29 cused is a member, of the time and place, when and
30 where a special committee will meet for the purpose
31 of hearing evidence and trying the accused upon
32 charges theretofore preferred, provided, however,
33 that the I.P. or the E.C. may, if they deem advisable,
34 in lieu of a trial before a special committee, order the

1 accused to be tried by the International convention.
2 In the event the latter procedure is adopted, the trial
3 of the charges shall be governed by the provisions of
4 SEC. 4 of this Art.

Appointment of Trial Committee

5 SEC. 6. Except as otherwise provided in this Art.,
6 whenever charges have been preferred against a
7 member, the president of the Local shall promptly
8 appoint a trial committee of 3 or 5 members, 1 of
9 whom shall act as chairperson and 1 of whom shall
10 act as secretary. The trial committee shall conduct an
11 investigation of the charges and decide whether there
12 is sufficient substance to warrant a trial hearing being
13 held. The arrangement of the conduct of the investi-
14 gation is left to the discretion of the trial committee.

15 If the trial committee decides a trial hearing is war-
16 ranted, the committee shall, within 1 week of its de-
17 termination, notify the member of the charges against
18 him/her and when and where to appear for trial. The
19 time set for trial shall allow the accused a reasonable
20 time (not less than 7 calendar days after notification)
21 to prepare his/her defense. If the trial committee de-
22 cides the charges should be dismissed on the basis of
23 lack of supporting evidence, it will so recommend to
24 the next regular meeting of the Local and the Local
25 shall adopt or reject the trial committee's recommen-
26 dation. If the Local adopts the recommendation, the
27 charges shall stand dismissed subject to appeal of
28 Local decisions as provided in SEC. 12 of this Art. If
29 the Local rejects the committee's recommendation,
30 the trial committee shall proceed to notify the
31 charged member and hold a trial hearing.

Appearance

1 SEC. 7. If a member fails to appear for trial when
2 notified to do so, the trial shall proceed as though the
3 member were in fact present.

Evidence

4 SEC. 8. Both the plaintiff and the defendant shall
5 have the privilege of presenting evidence and being
6 represented either in person or by a member to act as
7 his/her attorney. The trial committee shall maintain a
8 written record of the trial proceedings, including all
9 testimony and documents introduced by either the
10 plaintiff or the defendant.

Trial Procedure

11 SEC. 9.

- 12 1. Call trial committee to order.
- 13 2. Examine dues books or dues cards.
- 14 3. Clear the trial chamber of all people except
15 the trial committee, the trial reporter (who
16 need not be a member of the IAM), the plain-
17 tiff and his/her attorney, the defendant and
18 his/her attorney, and representatives of the In-
19 ternational, if in attendance.
- 20 4. The plaintiff and the defendant shall remain
21 in the trial chamber until trial is concluded,
22 but shall sit apart.
- 23 5. The chairperson shall read the charges and
24 ask the defendant if he/she is “guilty” or “not
25 guilty.” If the plea is “not guilty” the trial
26 shall then proceed; if the plea is “guilty” the

- 1 trial committee shall conduct such further
2 proceedings as in its judgement are required.
- 3 6. The plaintiff or his/her attorney shall present
4 his/her case first.
- 5 7. Witnesses shall be called into the trial cham-
6 ber 1 at a time, and will leave the trial cham-
7 ber upon completing their testimony, subject
8 to recall by either the trial committee, the
9 plaintiff, the defendant, or the representatives
10 of the International.
- 11 8. All people giving testimony shall be required
12 to affirm that the testimony that they give
13 shall be the truth.
- 14 9. Defendant and his/her attorney shall have the
15 right to cross-examine plaintiff's witnesses.
- 16 10. Defendant's witnesses shall then be called.
- 17 11. Plaintiff and his/her attorney shall have the
18 right to cross-examine the defendant's wit-
19 nesses.
- 20 12. Following the completion of cross-examina-
21 tion, the plaintiff and defendant shall be given
22 the opportunity to make a statement or sum-
23 mation of their case, with the plaintiff having
24 the first and last opportunity for remarks.
- 25 13. Before the trial committee shall begin its de-
26 liberation upon the testimony given, all peo-
27 ple except the trial committee shall leave the
28 trial chamber.

Report of Trial Committee

- 29 SEC. 10. The trial committee shall consider all of
30 the evidence in the case and thereafter agree upon its
31 verdict of "guilty" or "not guilty." If the verdict be

1 that of “guilty,” the trial committee shall then con-
2 sider and agree upon its recommendation of punish-
3 ment.

4 Following completion of these deliberations and
5 conclusions, the trial committee shall report at the
6 next regular meeting of the Local. The plaintiff and
7 the defendant shall be promptly notified in writing,
8 by registered or certified mail, by the R.S. of the de-
9 cisions of the Local with respect to the guilt or inno-
10 cence of the defendant and with respect to the penalty
11 imposed if the Local took action on the latter. The
12 trial committee’s report shall be in 2 parts as follows:

- 13 1. The report shall contain a synopsis of the evi-
14 dence and testimony presented by both sides,
15 together with the findings and verdict of the
16 trial committee. After the trial committee has
17 made the necessary explanation of its intent
18 and meaning, the trial committee’s verdict
19 with respect to guilt or innocence of the de-
20 fendant shall be submitted without debate to a
21 vote by secret ballot of the members of the
22 Local in attendance.
- 23 2. If the Local concurs with a “guilty” verdict of
24 the trial committee, the recommendation of
25 the committee as to the penalty to be imposed
26 shall be submitted in a separate report to the
27 Local and voted on by secret ballot of the
28 members then in attendance.

Voting on Report

29 SEC. 11. The penalty recommended by the trial
30 committee may be amended, rejected, or another
31 punishment substituted therefore by a majority vote

1 of those voting on the question, except that it shall re-
2 quire a two-thirds vote of those voting to expel the
3 defendant from membership. If the Local reverses a
4 “not guilty” verdict of the trial committee, the pun-
5 ishment to be imposed shall be decided by the Local
6 by a majority vote of those voting on the question,
7 except that it shall require a two-thirds vote of those
8 voting to expel the defendant from membership.

9 Disqualification from holding office as a penalty
10 for misconduct as a member or officer shall be lim-
11 ited to 5 years, except as otherwise provided in SEC.
12 5, Art. VII.

Appeal from Decision of Local or District

13 SEC. 12. An appeal may be taken to the I.P. from
14 the decision of a Local or District by either the ac-
15 cused or the party preferring charges against the ac-
16 cused within 30 days after the verdict. Such appeal
17 must be addressed to the I.P. in writing and set forth
18 in specific detail the grounds on which it is based.
19 The appeal may also include any argument in support
20 thereof which the appellant desires to advance, but
21 shall not include any new evidence. The I.P. shall
22 transmit to the opposing party a copy of the appeal
23 and such party shall have a period of 15 days to reply
24 thereto. The I.P. shall obtain from the Local or Dis-
25 trict a complete record of the trial before the Local or
26 District and shall make a decision based on such
27 record, which shall be final and binding unless
28 changed on further appeal as hereinafter provided.

29 The decision of the I.P. shall contain his/her find-
30 ings and conclusions and the penalty, if any, to be im-
31 posed. Upon such an appeal, the I.P. shall have full

1 authority to affirm or to modify or reverse, in whole
2 or in part, the decision of the Local or District, or to
3 remand the proceedings for further trial before the
4 Local or District, or to impose any penalty or fine
5 which he/she deems to be required, including expul-
6 sion. No party to the appeal shall have a right to ap-
7 pear in person before the I.P. However, the I.P., if
8 he/she deems it necessary or desirable, in connection
9 with his/her consideration of the appeal, may accord
10 such a privilege. The I.P. shall furnish a copy of
11 his/her decision to each party to the appeal by regis-
12 tered or certified mail.

Appeal from Decision of I.P.

13 SEC. 13. An appeal may be taken from a decision
14 of the I.P. to the E.C. by any interested party to the
15 proceedings before either the I.P., the Local or Dis-
16 trict. Such appeal must be taken within 30 days of
17 receipt of the I.P.'s decision and shall be made in
18 writing to the G.S.T. The appeal shall set forth in
19 specific detail the grounds therefore and may include
20 any written argument in support of these grounds.
21 The G.S.T. shall also notify the opposing party in
22 charge cases or trial cases of any appeal from the de-
23 cision of the I.P. to the E.C. and shall furnish such
24 party with a copy thereof. The opposing party shall
25 have a period of 15 days in which to file any written
26 argument in opposition to the appeal with the G.S.T.
27 The G.S.T. shall transmit to the E.C. such appeal and
28 any written arguments in opposition thereto, together
29 with the record of the proceedings before the I.P.,
30 and the decision of the E.C. shall be made upon this
31 record and the arguments submitted in connection

1 therewith. No party to the appeal shall have a right to
2 appear in person before the E.C. However, the E.C.,
3 if it deems it necessary or desirable in connection
4 with its consideration of the appeal, may accord such
5 a privilege.

6 The decision of the E.C. shall be by majority vote
7 of those participating and shall be final unless
8 changed upon further appeal as hereunder provided.
9 No member of the E.C. involved in the case or who
10 has participated in the matter at earlier stages shall be
11 entitled to participate in the decision on appeal. The
12 E.C. shall have full authority to affirm or to modify or
13 reverse, in whole or in part, the decision of the I.P. or
14 to remand the proceedings for further trial before the
15 Local or District or to impose any penalty or fine
16 which it deems to be required. The G.S.T. shall fur-
17 nish a copy of the decision of the E.C. to each party
18 to the appeal by registered or certified mail.

Appeal from Decision of E.C.

19 SEC. 14. An appeal may be made from a decision
20 of the E.C. by any party to the proceedings before the
21 E.C. to the International convention. Such appeal
22 shall be made in writing to the G.S.T. within 90 days
23 from the date of the E.C.'s decision and shall set forth
24 in specific detail the grounds therefore. The appeal
25 may include a written argument in support of such
26 grounds. The G.S.T. shall notify the E.C. and the op-
27 posing party of such appeal and furnish them with a
28 copy thereof. Such party may, within 15 days, file
29 with the G.S.T. a written argument in opposition to
30 the appeal. The appeal shall be referred to the appeals
31 and grievance committee of the convention, and the

1 G.S.T. shall transmit to such committee the record of
2 the proceedings before the lower tribunals of the
3 IAM, as well as the arguments of the appellant and of
4 the opposition party.

5 The appeals and grievance committee shall, upon
6 timely request, hear both parties to the appeal in per-
7 son. However, no party to the appeal shall have a
8 right to appear in person before the convention. The
9 appeals and grievance committee shall make a writ-
10 ten recommendation to the convention based upon
11 the record before it, which shall contain its findings,
12 conclusions, and recommendations as to penalty to
13 be imposed, if any. The convention may amend or re-
14 ject, in whole or in part the findings and recommen-
15 dations of the appeals and grievance committee and
16 find the accused either "guilty" or "not guilty." The
17 convention may also accept or reject, in whole or in
18 part, any recommendation of the appeals and griev-
19 ance committee with respect to a penalty to be im-
20 posed, and may itself provide a substitute penalty by
21 a majority of delegates voting on the question. Such
22 action of the convention shall be recognized and ac-
23 cepted as final and binding on all parties.

24 Before any appeal can be taken from an E.C. deci-
25 sion, the decision and all orders of the E.C. in relation
26 thereto must be complied with by all parties con-
27 cerned therein; provided, however, that in the event
28 the E.C. concludes that compliance pending appeal
29 would constitute a substantial bar to the exercise of
30 the right thereof, compliance therewith may be
31 waived or modified by the E.C.

32 No officer, member, representative, Local, District,
33 or other subordinate body of the IAM shall resort to
34 any court of law or equity or other civil authority for

1 the purpose of securing an opinion or decision in
2 connection with any alleged grievance or wrong arising within the IAM or any of its subordinate bodies
3 until such party shall have first exhausted all remedies by appeal or otherwise provided in this Constitution not inconsistent with applicable law for the settlement and disposition of such alleged rights, grievances or wrongs. The I.P., E.C., and International
4 convention are hereby empowered to refuse or defer
5 consideration, or to refuse or defer or withhold decisions, in any matter pending in any court of law or
6 before any other civil authority as circumstances in
7 their judgment may warrant and justify.

Rights of Member During Appeal

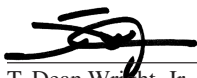

14 SEC. 15. While any member or Local is exercising
15 the right of appeal, the financial standing of such
16 member or Local shall not be impaired by refusal to
17 accept dues or per capita tax until after the E.C. has
18 passed upon the appeal.

Notification to Local and District

19 SEC. 16. Whenever appeals are taken to the I.P.,
20 E.C., a convention of the International or general referendum, the Local or District involved shall be notified immediately.
